Business Deposit Account Agreement

The Business Deposit Account Agreement ("Agreement"), which governs your account with us, has been updated. This agreement is effective on **November 1, 2025**, and it will amend and replace your current deposit account agreement. Specifically, the following sections have been revised:

General Legal Agreement
The "What FDIC Insurance is available?" section has been updated to clarify that FDIC insurance coverage is based on account ownership category for a maximum of $250,000 per depositor per insured bank.

Information About You, Your Account, and Privacy
The "When can an account be closed?" section has been updated to include the following: (i) information on how we handle closing accounts at zero balance; (ii) clarification for processing transactions received after an account is closed; and (iii) how we handle accounts that are reopened.

Funds Availability Policy
The "What is our policy on deposit holds? When will the funds deposited be available for you to withdraw?" section was updated to clarify the following: (i) incoming wires (domestic and international) have a cut off time of 6:30 p.m. ET; and (ii) which agreement(s) govern funds availability for mobile deposits.

The "What other information should you know?" section was updated to include instant payments as a way to avoid a hold on your deposit.

Foreign Currency
The "How do we determine exchange rates?" section was updated to include the factors used in determining the exchange rate.

Other Terms and Services
The "Will we ever "freeze" your account and, if so, how?" section was updated to clarify that we may provide a hold notice to you as soon as reasonable possible.

Funds Transfer Services
The "How do we process and send funds transfers?" section was updated to include information on how we process recurring transfers between SouthState Bank accounts when the transfer date falls on a non-business day.

You are responsible for reviewing and becoming familiar with these changes, and we encourage you to review the complete Agreement for additional information. You may view or print the Agreement at **SouthStateBank.com/BusinessAccountAgreement** or visit your local branch to request a copy. You should retain this notice along with the Agreement for your records. Please note that continuing to maintain and use your account(s) beyond the effective date constitutes your agreement to and acceptance of the Agreement.

IN CASE OF ERRORS OR INQUIRIES ABOUT YOUR ELECTRONIC TRANSACTIONS ON YOUR PERSONAL DEPOSIT ACCOUNT ONLY

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. Please call us at **1-800-277-2175** or write to us at: **SouthState Bank, N.A., eClaims Center, P.O. Box 118068, Charleston, SC 29423.**

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 days to do this, we will apply a provisional credit to your account in the amount you think you have been charged in error so you will have use of the money during the time it takes us to complete our investigation.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

1. We cannot try to collect the amount in question or report you as delinquent on that amount.
2. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
3. While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
4. We can apply any unpaid amount against your credit limit.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COM PUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day. We may modify these payment instructions, including changing the address for payment, by providing updated payment instructions on or with your periodic billing statement.

Information About You, Your Account, and Privacy
The "When can an account be closed?" section has been updated to include the following: (i) information on how we handle closing accounts at zero balance; (ii) clarification for processing transactions received after an account is closed; and (iii) how we handle accounts that are reopened.

Funds Availability Policy

The "What other information should you know?" section was updated to include instant payments as a way to avoid a hold on your deposit.

Foreign Currency
The "How do we determine exchange rates?" section was updated to include the factors used in determining the exchange rate.

Other Terms and Services
The "Will we ever "freeze" your account and, if so, how?" section was updated to clarify that we may provide a hold notice to you as soon as reasonable possible.

Funds Transfer Services
The "How do we process and send funds transfers?" section was updated to include information on how we process recurring transfers between SouthState Bank accounts when the transfer date falls on a non-business day.

You are responsible for reviewing and becoming familiar with these changes, and we encourage you to review the complete Agreement for additional information. You may view or print the Agreement at **SouthStateBank.com/BusinessAccountAgreement** or visit your local branch to request a copy. You should retain this notice along with the Agreement for your records. Please note that continuing to maintain and use your account(s) beyond the effective date constitutes your agreement to and acceptance of the Agreement.

IMPORTANT INFORMATION ABOUT YOUR ACCOUNT

Unless we receive notice of any unauthorized or missing signature on any enclosed item or alteration of any enclosed item in this statement within 60 days, we will consider this statement and enclosures to be correct.

IN CASE OF ERRORS OR INQUIRIES ABOUT YOUR ELECTRONIC TRANSACTIONS ON YOUR PERSONAL DEPOSIT ACCOUNT ONLY

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. Please call us at **1-800-277-2175** or write to us at: **SouthState Bank, N.A., eClaims Center, P.O. Box 118068, Charleston, SC 29423.**

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 days to do this, we will apply a provisional credit to your account in the amount you think you have been charged in error so you will have use of the money during the time it takes us to complete our investigation.

DOCUMENTATION AND CONFIRMATION OF TRANSFERS

If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at 1-800-277-2175 to find out whether or not the deposit has been made.

BILLING RIGHTS NOTICE FOR CONSUMER LINE OF CREDIT

If you think there is an error on your statement, write to us at:
SouthState Bank, N.A., Loan Operations, P.O. Box 118068, Charleston, SC 29423.

In your letter, give us the following information:

1. **Account information:** Your name and account number.
2. **Dollar amount:** The dollar amount of the suspected error.
3. **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

1. We cannot try to collect the amount in question or report you as delinquent on that amount.
2. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
3. While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
4. We can apply any unpaid amount against your credit limit.

EXPLANATION OF BALANCE ON WHICH FINANCE CHARGE IS COM PUTED FOR CONSUMER LINES OF CREDIT ONLY

Daily Balance Method (including Current Transactions)

We figure the finance charge on your account by applying the periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances, and subtract any unpaid finance charges and any payments or credits. This gives us the daily balance.

LOAN PAYMENT NOTICE

All loan payments must be accompanied by the account number or payment coupon provided and must be made by a check, automatic account debit, electronic funds transfer, money order or other instrument in U.S. Dollars. Payments received by the bank at the address shown on the front of this statement by close of business will be credited to your account that same day. Payments received after close of business will be credited the following business day. We may modify these payment instructions, including changing the address for payment, by providing updated payment instructions on or with your periodic billing statement.

TERMS & CONDITIONS

I agree that no representative of The Home Depot is authorized to make any promise, warranty, or representation to me other than those reflected in writing in the Agreement. I agree to the Terms & Conditions and understand that the Agreement cannot be modified or changed except in writing signed by both parties. With respect to equipment I am renting, I have received the equipment referenced in the Agreement. In the event that I am returning equipment, I acknowledge and agree that I am returning the listed rental equipment, the total charges are correct, and additional charges may apply if the equipment is returned damaged.

EQUIPMENT RENTAL AGREEMENT TERMS AND CONDITIONS ("AGREEMENT")

1. **GENERAL.** This Agreement is between Home Depot U.S.A., Inc. ("**The Home Depot**") and the customer identified on the front page of this Agreement ("**Renter**"). The Home Depot will provide Renter the tools, large equipment (including, dump trucks), vehicles (collectively, "**Equipment**") described on the front page of this Agreement and in accordance with the terms set forth in this Agreement. The Home Depot will provide the Equipment "as is" and in good working condition during the rental period (the "**Rental Period**") and according to the initial rental subtotal price identified on the front page of this Agreement ("**Rental Price**"). Renter agrees to return the Equipment prior to the expiration of the Rental Period, or to pay the additional rental fees described in **Section 10**. To the extent Renter has entered into a Master Rental Agreement ("**MRA**") with Home Depot and the terms of the MRA and this Agreement conflict, then the terms of the MRA will govern.

2. **PAYMENT.** Renter is responsible for all charges due in full at the commencement of the Rental Period or upon The Home Depot's request, using a payment card approved by The Home Depot ("**Renter Card**"), including deposits ("**Deposits**"). Renter consents to the reservation of credit for estimated charges due, and authorizes The Home Depot to process all amounts due, on Renter Card (including vehicle rental, traffic law violations and parking citations, and any applicable administrative charge). In the event Renter cancels delivery of large equipment within 12 hours of the scheduled delivery time, a cancellation fee will be charged to the credit card on file. All charges are subject to audit, and either party will promptly pay to or credit the other party for any necessary adjustments or corrections to charges as a result of the audit. Renter must notify The Home Depot in writing of any disputed amounts, including credit card charges, within twenty-five (25) days after the receipt of The Home Depot rental contract/invoice, or Renter will be deemed to have irrevocably waived its right to dispute such amounts. Renter will also pay all direct costs of collection, including attorney fees, and interest at the highest rate permitted by law on any past-due amounts.

3. **PERMITTED USE/RESTRICTIONS/MAINTENANCE.** Renter agrees that The Home Depot has no control over the manner in which the Equipment is operated during the Rental Period. Renter warrants that:

Hurricane Preparedness Guidelines
IF YOU ARE UNDER A HURRICANE WARNING, FIND SAFE SHELTER RIGHT AWAY.

When a hurricane is 36 hours from arriving
- Turn on your TV or radio in order to get the latest weather updates and emergency instructions.
- Restock your emergency preparedness kit. Include food and water sufficient for at least three days, medications, a flashlight, batteries, cash, and first aid supplies. **https://www.ready.gov/build-a-kit**

When a hurricane is 18-36 hours from arriving
- Bookmark your city or county website for quick access to storm updates and emergency instructions.
- Bring loose, lightweight objects inside that could become projectiles in high winds (e.g., patio furniture, garbage cans); anchor objects that would be unsafe to bring inside (e.g., propane tanks); and trim or remove trees close enough to fall on the building.

When a hurricane is 6-18 hours from arriving
- Turn on your TV/radio, or check your city/county website every 30 minutes in order to get the latest weather updates and emergency instructions.
- Charge your cell phone now so you will have a full battery in case you lose power.

When a hurricane is 6 hours from arriving
- If you're not in an area that is recommended for evacuation, plan to stay at home or where you are and let friends and family know where you are.
- Close storm shutters, and stay away from windows. Flying glass from broken windows could injure you.
- Turn your refrigerator or freezer to the coldest setting and open only when necessary. If you lose power, food will last longer. Keep a thermometer in the refrigerator to be able to check the food temperature when the power is restored.

Survive DURING
- If told to evacuate, do so immediately. Do not drive around barricades.
- If sheltering during high winds, go to a FEMA safe room, ICC 500 storm shelter, or a small, interior, windowless room or hallway on the lowest floor that is not subject to flooding.
- If trapped in a building by flooding, go to the highest level of the building. Do not climb into a closed attic. You may become trapped by rising flood water.

Be safe AFTER
- Listen to authorities for information and special instructions.
- Do not touch electrical equipment if it is wet or if you are standing in water. If it is safe to do so, turn off electricity at the main breaker or fuse box to prevent electric shock.
- Avoid wading in flood water, which can contain dangerous debris. Underground or downed power lines can also electrically charge the water.

Miscellaneous Gross Receipts Tax Reimbursement: -- The Gross Receipts Tax (GRT) is a tax by the State of Texas on sellers of electricity. The GRT is imposed on sellers of electricity making sales to customers in incorporated cities or towns with a population greater than 1,000, and ranges from 0.581% to 1.997%. This tax reimbursement is applicable regardless of customer tax status.
